Hi Sam and Erica,

As I think you may know, HQ is pushing us to do a lot more press on our grants. The following Santa Monica Bay grant has been identified for a press release for 9/28. Please let me know if you have any concerns with this, including whether you have any idea if the money should be awarded by then. Given it's right at the end of the FY, I expect that could work.

If all is well and we proceed, we will work with OPA to put something together that is news worthy. Let me know if you have any questions.

Paul
